Illinois is committed to assisting child care providers in providing quality education and care for young children (birth through 12 years). One way to do that is with the Quality Improvement (QI) Funds. In Illinois, the quality recognition program is ExceleRate Illinois. All licensed child care programs are considered a part of ExceleRate Illinois. There are three (3) Circles of Quality above the Licensing level that programs can opt to work towards/advance to /or maintain. The QI Funds have been developed and are offered through the Child Care Resource and Referral agencies (CCR&R), to assist and support child care programs that are choosing to achieve a Circle of Quality above the Licensing level. Please read the overview and the guidelines to determine which area(s) best meets your needs. Requests may be made in multiple areas.

The QI Funds are based on available funding. The QI Funds program is administered by the Child Care Resource & Referral Network. Funds are provided by the Illinois Department of Early Childhood (IDEC).

QI Funds can assist child care programs with:

- Achieving a Bronze, Silver or Gold Circle of Quality
- Achieving National Accreditation
- Advancing to a Bronze, Silver or Gold Circle of Quality
- Maintaining a Silver or Gold Circle of Quality

Specifics on each component are noted in this Quality Improvement Funds Grant Pack.
